ESTABLISHMENT OF APPLICATION FILE

Admission takes place in two stages :

1/ ELIGIBILITY PROCEDURES

A file for the selected speciality must be sent to the institution.

Eligibility is awarded by an assignment committee after the examination of the candidature file consisting of fact sheets [A], school reports, a letter of motivation and other supporting documents requested .

Attachment pieces

(In an A4 envelope on which the information sheet [A] is attached)

- > The photocopy of the previews semestrial evaluations
- > Photocopy of other diplomas obtained and transcripts.
- > Photocopy of the baccalaureate transcript.
- > A handwritten letter of 1 page showing your motivations to enter DSAA Design In La Martinière.
- > Curriculum vitae (schooling, internship experience, contests won, personal practice).
- > 2 self-adhesive envelopes, format 110x220, denominated at the candidate's address and stamped at 20 grams.
- > 1 self-adhesive envelope, format 229x324, stamped at the candidate's address and stamped at 100 grams.

2/ ADMISSION PROCEDURES

The candidate who is declared eligible will be called for a 20-minute interview on his / her motivation, accompanied by the presentation of a school or personal works. It consists in a selection of 6 to 10 projects (Design or Art projects, personal works, etc.), including at least three creative office projects.

At the end of the interviews, each department constitutes a list of 12 admitted by mention, supplemented by an additional list.
